

# THE POTHOLE SOLUTION

# PERMA-PATCH<sup>®</sup>

**PERMA-PATCH:** an all season, all weather, permanent asphalt patching material used throughout the United States and internationally with extraordinary success. Easy to use, no mixing, no special pothole preparation, displaces water and accepts immediate traffic.

Most durable for permanent repairs, Perma-Patch bonds permanently to asphalt, concrete, steel, wood and other hard surfaces.

Available in easy to handle bags, pails, or in bulk. Can be stored for a minimum of two years.
