1216-15HBCL Same as 1216-5HBL with 15 inside pockets and nylon handles.

1216-56 Same as 1216-6 with 15 outside pockets

Hard body bags (-HB) polyethylene liner keeps these bags totally rigid but still allows inside pockets to organize tools. Now an alternative to tool trays that gives you both rigid construction plus organization of tools.

All oval buckets are available with Hard Body style, add HB to end of model number, example 1216-5HB. Oval buckets can have the bumper feature by adding the suffix letter "K" to the model number.
